

## AUMS INTERFACE EVALUATION

**AUMS-UIE-001**

### Panel to display Course Code:

- The course display panel is not long enough for the user to view the course code with ease. Every time the user has to hover over it to see the full course code.
- This becomes time-consuming when the user(student) is searching for a particular course, especially during a time-bounded quiz/exam.
- The principle of Easy readability and understandability is being violated over here.

## AUMS-UIE-002

### Side Panel to display various options/Menu Bar:

- Whatever options are being displayed in the first picture using symbols, the same options are being displayed options when we click on that menu (drop-down list/three parallel lines)
- This creates unwanted confusion among the users.

## AUMS-UIE-003

### Internal Locus Bar on personal details page:

- The internal locus bar/navigation bar is placed in the middle of the page which is quite unfamiliar among the users.
- There are too many fields that are not aligned properly.
- This reduces readability amongst the users. They might miss filling in a few fields in this case.
- The principle of user familiarity is violated here.

**STUDENT DETAILS**

First Name: Deepthi J, Last Name: [Empty]  
Academic Program: B.Tech2021, Branch: [Empty]  
CYS, Semester: 3

**Person Details**

First Name: Deepthi J, Last Name: [Empty]  
Gender: Male ☐ Female ☒ Trans ☐  
Date Of Birth: 29/12/2003  
Admission No: CB.EN.U4CYS21014, Admission Type: Merit  
Academic Details  
Academic Program: B.Tech2021

Application No: 1000203, Joining Year: 2021, Semester: 3  
Remarks: [Empty], Enrollment Status: Enrolled, Lateral Entry: [Empty]  
For Phd Students Only  
Part Time/Full Time: Select

Branch: CYS, Project/ Teaching: Select  
Date Of Enrollment: 01/09/2021  
Y ☐ N ☒  
Internal/External: Select

## AUMS-UIE-004

### Change Password page:

- The fields here are using an in-line alignment.
- Rather if we use a list type alignment it would give a better and presentable interface that helps improve user experience

The screenshot displays the 'CHANGE PASSWORD' interface of the Amrita University Management System. The page has a green header bar containing the university logo, the user's name 'Welcome Deepthi J', and the date 'Sun Jan 01 2023 10:52:57 AM'. A sidebar menu on the left lists various options like 'View Marks', 'Registration', 'Exam Scores', 'Fee', 'View Fee Details', 'Dues', 'Personal', 'Library', and 'OPAC'. The main content area features a 'CHANGE PASSWORD' section with a welcome message 'Welcome, Deepthi J'. Below this, there are four input fields arranged in two rows. The first row contains 'Your Login Name' (pre-filled with 'cb.en.u4cys21014') and 'Current Password'. The second row contains 'New Password' and 'Confirm New Password'. A red 'Change Password' button is positioned to the right of the 'Confirm New Password' field.

CHANGE PASSWORD	
Welcome, Deepthi J	
Change Password	Your Login Name: cb.en.u4cys21014
	Current Password
New Password	Confirm New Password
<button>Change Password</button>	

## AUMS-UIE-005

### Student Mark Report page:

- Here, only the scored marks are displayed, but not the total marks.
- Most of the time this creates confusion among the students about the total marks the task is being evaluated for.

## Unfilled pages:

- A few pages such as the syllabus, and poll list pages remain unused most of the time.
- Maybe avoiding these unnecessary pages can avoid creating some sort of confusion among the users.
